Press Release

Aiming to assess acceptance, by the mining and heavy construction markets in the scope of the Mining International Trade Show - Exposibram 2009, to take place from September 21 to 24 in Belo Horizonte, State of Minas Gerais, Randon will exhibit in its booth, in addition to its traditional products aimed at this segment, an off-road dump truck with load capacity for 65 metric tons, acquired from the Italian manufacturer Perlini International S.p.A. specifically for this purpose.

In case the market potential shows favorable, Randon may develop, in the future, a joint project for this type of equipment, making it available for the afore-mentioned markets.

Caxias do Sul, September 18, 2009.

Astor Milton Schmitt,
Investor Relations Director
