

PRESS RELEASE

Randon informs its performance expectations for 2010

Considering the business scenario for the year, the Company presents to the market its performance expectations, as follows:

Total Gross Revenue – R\$ 4.0 billion

Consolidated Net Revenue – R\$ 2.8 billion

Investments – R\$ 200 million

Exports – US\$ 190 million

Imports – US\$ 70 million

These indicators are validated in the strategic plan process and are supported by an assessment of the macroeconomic scenario in Brazil and in the countries the Company keeps commercial relationships with, as well as in sector indicators, in the automotive industry, and in the behavior of its market segments.
