

## **PRESS RELEASE**

Please be informed that, as a result of the Public Offering of Primary Distribution of Shares of our controlled company Fras-le S.A., announced on April 08 2016, Randon S.A. Implementos e Participações, exceptionally this month, will not disclose the net consolidated revenue and the total gross revenue relating to March and to the January-March 2016 period.

This action aims not to interfere with the decision of shareholders and investors about Fras-le`s Offering, being also in line with the main recommendations issued by the capital market regulatory agencies.
