

## **PRESS RELEASE**

### *REVIEW OF 2016 INDICATORS - GUIDANCE*

The company understands that the projections related to its performance on the current fiscal year are no longer consistent considering the ongoing market reality, and even though better market signs are expected, the performance already achieved shows that some adjustments are needed. The reviewed indicators are as follows:

Total Gross Revenue – R\$ 4.0 billion

Consolidated Net Revenue – R\$ 2.9 billion

Revenues originated from Foreign Operations – US\$ 260 million

Imports – US\$ 45 million

Investments – R\$ 60 million

These indicators are validated by Rendon's strategic planning and are backed by assessing macroeconomic scenarios of both Brazil and those countries the Company operates with. It is also taken into account the indicators of the automotive industry sector and market behavior in the Company's business segments.
