PRESS RELEASE

Randon S.A. Implementos e Participações informs that, due to the truck drivers' strike in Brazil, the Company is taking the necessary measures to adapt its operations to this scenario.

Some of the Company's industrial plants are expected to temporarily reduce and/or suspend their production due to the difficulty in transporting and receiving raw material and other items used to manufacture its products. Consequently, the shipping and delivery of trailers and auto parts will also be affected by the road blockade.
