

RANDON S.A. IMPLEMENTOS E PARTICIPAÇÕES

Listed Company

PRESS RELEASE

Randon S.A. Implementos e Participações ("Company") announces it will be setting up two new businesses to be installed in the city of Linhares, in the State of Espírito Santo, one being a company branch to operate as a distribution center for spare parts and the other, in the future, being a subsidiary to develop industrial activities for the production of trailers, semi-trailers and truck bodies.

With the creation of these units, the Company aims to improve the support of the dealer's network in central and northern Brazil, considering the geographic location, close to the customers and the port of that State. With this, the Company continues its expansion project, alongside with the inauguration earlier this year of the units of Araraquara, in the state of São Paulo and Lima, Peru.

For additional information, please contact our Investor Relations Department, through the following channels: ri@randon.com.br or telephone +55 54 3239-2795.
